APRIL 2019

And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching. Hebrews 10:24-25 (NIV)

LIVE-IT's new program **MyRide Sevier County** is designed to provide Sevier County seniors, 60 years and older, with much needed transportation. Rides to doctor appointments, pharmacies or grocery stores can help them maintain their independence, enabling them to lead a healthier, more productive life and therefore a happier one. It is a volunteer-based service that utilizes advanced internet software to schedule, track, maintain and manage common destinations and repeat riders. Volunteers are provided internet access to all scheduled riders and the ability to choose a convenient time. Volunteer drivers can even schedule to have a senior's ride coincide with one they were already planning for themselves. The ease and flexibility of the program make it a great fit for both senior citizen riders and volunteer drivers alike.

If you would like to **learn more** about volunteering with MyRide Sevier County, please **call 865-773-0715** or email MyRide@liveitministry.org.

The Bridge represent our vision for a new type of community space where older adults and people of all ages can come together and find ways to learn, connect, serve and thrive together in their community.
