A PLACE TO CALL HOME

Give justice to the weak and the fatherless; maintain the right of the afflicted and the destitute. — Psalm 82:3

Bringing hope to those that are dealing with great adversity may seem small and ineffectual in the context of your daily life, but it can have an incredible impact on your neighbor in need. A local home health agency introduced us to a couple that had recently been homeless but were now fortunate enough to have been placed in government assisted housing. While it is great to see them off the streets and in a place they can call home, they still have a battle ahead of them. Jerri* is dealing with stomach cancer treatment. Ensure is the only food source that Jerri* can keep down, so we brought them a month's supply of this milky goodness, shared a few minutes of encouragement and our heartfelt prayers.

Keep Jerri* and the many others that we visited this past month in your hearts and prayers. If you would like to purchase Ensure or help in other ways, let us know.

Together We Can improve the lives of our elderly neighbors in need.
