Together We Can... build community connections!

MyRide Sevier County is designed to provide Sevier County seniors, 60 years and older, with much needed transportation.

Volunteer drivers can schedule to have a senior's ride coincide with errands they were already planning for themselves. The ease and flexibility of the program make it a great fit for both senior citizen riders and volunteer drivers alike.

If you would like to **learn more** about volunteering with MyRide Sevier County, please **call 865-773-0715** or email [MyRide@liveitministry.org](mailto:MyRide@liveitministry.org).

#### MOBILIZING THE COMMUNITY TO SERVE
