WITNESS TO KINDNESS

1 John 3:17 (ESV)

“But if anyone has the world's goods and sees his brother in need, yet closes his heart against him, how does God's love abide in him?”

Have you ever seen a messy yard or a person struggling to walk upright and thought you knew their story? It is easy to jump to conclusions and assume we know what's up. Or did the sight of a messy yard barely register a glimmer of any thought whatsoever? We are so often lost within our own mind's agenda for the day that we only catch a tiny glimpse of our surroundings. How often do we miss a silent cry?

We visited Mary this month. Mary has a severe medical crisis that has left her struggling to survive. The idea of managing the upkeep of her home and yard was the very least of her worries but clearly could be seen by any passerby. LIVE-IT was able to bring hope, encouragement and a little TLC so that her health fight could be her focus. Join Us! The next time you see a need, reach out a helping hand. Let LIVE-IT know about your Neighbor In Need so we can mobilize their local community church to take the bible out of the box and straight to their door. You, being a witness to kindness, can be life changing.

SAID SO OFTEN:

Below is just 1 example of the letters we receive:

I ask you to mention me in your prayers. My legs have decided not to hold me up very long at one time. I went to the grocery store recently and struggled to get to and from the store with the bags of groceries. I upchucked in the parking lot thanks to an allergy infection. I tried to call a friend from church but she wasn't home. My only child lives 5 hours away. I never realized I would be so alone. I'm working on the legs and taking therapy and doing the exercise at home as well. I just realized I need to ask for help. I can still walk in the house fine but I cannot be on my feet but a few minutes at time. I guess I will have to start calling my groceries in and pick up.
