## ACTIONS SPEAK VOLUMES

*Dear children, let us not love with words or speech but with actions and in truth. 1 John 3:18*

Our actions speak volumes on our behalf and a simple act of kindness is a powerful witness in an angry world. How we treat one another plant seeds for the future. We are all called to LIVE-IT each and every day. To be a witness and an Ambassador of Christ to those that need loving words of encouragement can be accomplished in so many ways. A warm embrace, some help with cleaning or simply a ride to the doctor's office are simple acts of kindness that truly speak volumes! We LIVE-IT together. The need is merely the door by which we enter to bring isolated and lonely souls back into community.

You need not be a plumber or contractor to help your neighbor. Every person interested in being a volunteer or financial supporter can use their gifts and skills to make a difference in a neighbor's life.

**Together We Can... be someone's miracle!**
