LOVE THY NEIGHBOR

Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.' The second is this: 'Love your neighbor as yourself.' There is no commandment greater than these.". Mark 12:30-31 (NIV)

Last month we received a call from the neighbor of this adorable couple. She was concerned because our couple's HVAC unit stopped working. She was extremely worried for their well-being with the bitter cold of winter looming ahead.

Our visit brought us to a kind gentleman with COPD who is taking care of his wife who has dementia. During our visit we discovered that their washing machine had also stopped working. This forced him to take their dirty laundry to a laundromat. Leaving his wife alone for even a few minutes was frightening for him. When he would return with loads of wet clothes to dry at home he never knew if he would find his wife wandering down the road like so many times previously. Unfortunately he could not afford to fix their issues.

LIVE-IT put the word out regarding their needs. Thanks to a generous volunteer from Pathways South Knoxville – a new washing machine was purchased and delivered to the couple! Another volunteer from Eden Chapel paid to have their HVAC unit repaired so that the couple does not have to wonder how they will stay warm this winter. **Together We Can...** love our neighbors!
