## TRUE LOVE ON DISPLAY

Deuteronomy 10:18 (TLB)

*"He gives justice to the fatherless and widows. He loves foreigners and gives them food and clothing."*

Sadly Ms. Joann has been going through cancer treatments while taking care of her bed ridden handicapped son. Thanks to XX church replacing her broken water heater and XX church delivering food, the Army of God has not only eased a little bit of the struggle they have been experiencing but also displayed Agape love for the fatherless and widow in our community. Churches and volunteers are joining to reach the lost and hurting right here in our very own backyards. We appreciate your continued support! **Together We Can** Continue to Improve Lives.
