Church Redefines "Sunday Service"

One day of service sounds like such a small commitment but one day of service can have dynamic impact on families in distress. A group of Seymour Church volunteers put hands and feet to service by getting out of the box to assist 9 families with various needs. These beautiful volunteers cleaned, weeded, cleared, cut, raked, fellowshipped, sang and built 2 ramps on a single afternoon. Instead of participating in a typical church service on Sunday, they joined for worship then divided to conquer the labor. This team put the true meaning of service into practice. The recipients of these loving gestures felt the warm embrace of the Lord's agape - love. The recipients of the visitation from "angels" are forever moved and grateful for the way these volunteers cared. Thank you to all the servants and may the Lord continue to bless each of you!

"She will bear a son, and you shall call his name Jesus, for he will save his people from their sins." All this took place to fulfill what the Lord had spoken by the prophet: "Behold, the virgin shall conceive and bear a son, and they shall call his name Immanuel" (which means, God with us).
Matthew 1:21-23

Thank You!

For joining us for the LIVE-IT Ministry Banquet

Thanks to everyone who attended the 2019 LIVE-IT Ministry Banquet and helped make it so successful. Also a special thank you to our speakers Aaron Bradley and Denise West from East Tennessee Area Agency on Aging and Disability. The focus of the evening was on the MyRide Sevier County Program that uses Volunteer Drivers to get elderly individuals to medical appointments, pharmacies and grocery stores. Also discussed were ways the MyRide and the new Coffee House coming in January will help reduce loneliness and isolation in Sevier County.

Thank You!

To all the volunteers this month and for all of 2019!

Thank You!

For your participation in MyRide Sevier County.
