CELEBRATING 100

MyRide Sevier County, a program of LIVE-IT Ministries, is proud to announce the 100th ride given this past week. One of our faithful volunteers, Barbara Michael from Pathways Church, pictured here with our rider, Ms. Doris and her son, has just completed a ride to a medical appointment followed by groceries and a prescription pick-up.

LIVE-IT is excited about this new transportation program and grateful for the volunteers that are making this happen. If anyone is interested in participating as a driver or rider, you can call 865-773-0715 or visit our website, Myridesevier.com

The "Mission" of LIVE-IT

To glorify God by loving people, LIVE-IT brings people together through community to meet the needs of those who are socially, physically, spiritually or emotionally isolated and alone.

Come learn about the county's newest transportation program.

LIVE-IT's new program **MyRide Sevier County** is designed to provide Sevier County seniors, 60 years and older, with much needed transportation. Rides to doctor appointments, pharmacies or grocery stores can help them maintain their independence, enabling them to lead a healthier, more productive life and therefore a happier one.

Numbers 11:17 (Amplified)

And I will come down and talk with you there; and I will take of the Spirit which is upon you and will put It upon them; and they shall bear the burden of the people with you, so that you may not have to bear it yourself alone.
