WHO IS YOUR NEIGHBOR?

WHO IN THE WORLD IS LIVE-IT?

Our Mission: To glorify God by loving people, LIVE-IT brings people together through community to meet the needs of those who are socially, physically, spiritually or emotionally isolated and alone.

Our Vision: We envision a world where everyone belongs to a community that loves and cares for them.

Core Values:

Love (Everyone)

Hope (Give it freely)

Faith (The real depth of relationships)

Grace (Give people more than they deserve)

Advocacy (Be the voice for those who are silent)

Service (It's greater to give than to receive)

Community (Where people are loved and encouraged)

LIVE-IT IS ...

The **Army of One** is a program of LIVE-IT Ministries that works with local government and other agencies who regularly come in contact with the elderly and others in need. These agencies make referrals to LIVE-IT who visits them, determines the resources needed to meet the need, then contacts volunteers and churches to meet these needs.

LIVE-IT's new program **MyRide Sevier County** is designed to provide Sevier County seniors, 60 years and older, with much needed transportation. Rides to doctor appointments, pharmacies or grocery stores can help them maintain their independence, enabling them to lead a healthier, more productive life and therefore a happier one.

The Bridge represents our vision for a new type of coffee house where old and young can come together to spend time over coffee and a bite to eat. For many participating in the MyRide program this can be a place to connect with others. Who knew that the "Church Code" we have been trying to crack was as simple as COFFEE, SITTING and TALKING.
