

Keeping doors open to the most vulnerable  
with a great abundance of caution and concern for those most in need.

MyRide Sevier County Volunteers keep their car doors open to essential medical appointments, to pick up medications and get groceries with minimal exposure to those most vulnerable, our senior neighbors.

# I said, “Here I am, Send me.”

Isaiah 6:8

We are expanding the MyRide program to use volunteers to take food to the elderly who can't leave their homes.

Working with local food ministries, social workers, and others who serve the senior population in Sevier County we are utilizing volunteer drivers to deliver food to those who are at great risk and can't leave their homes. We are so grateful to those volunteers who continue to work at food ministries, homeless shelters, prison ministries etc. Thank you for responding to the call.

## Ways to get involved:

- Prayer: For our county, our leaders and those serving on the front lines. Also pray for those who continue to serve those most in need of food, shelter, medicine, and transportation to essential appointments.
- Volunteers: To go to the grocery store and pick up items for elderly individuals. (At no cost to you)
- Help us continue to serve our elderly neighbors by making a financial donation at: **[paypal.me/liveitsevier](https://paypal.me/liveitsevier)**
