To glorify God by loving people, LIVE-IT brings people together through community to meet the needs of those who are socially, physically, spiritually or emotionally isolated and alone.

Tennessee (the Volunteer State) ranks 33rd among all states in volunteering

For more than two centuries, Tennessee has been known as The Volunteer State.

Tennessee earned the nickname during the War of 1812. The state was asked to send 1,500 troops to defend the lower Mississippi region. Instead, Tennessee sent 30,000 troops. Why is volunteering so important? Experts agree, the more we give, the happier we feel. **Volunteering** increases self-confidence. You are doing good for others and the community, which provides a natural sense of accomplishment. Your role as a **volunteer** can also give you a sense of purpose.

Purpose is a fundamental component of a fulfilling life. Are you depressed, lonely, saddened by your circumstances? Find someone to help and see what God can do with that.

78 volunteers honor the memory of Wyatt Moore by serving 5 families

On Saturday, July 11th, 78 volunteers showed up to serve 5 families in the memory of Wyatt Moore who passed away a year earlier. We are honored to be a part of the great day of service and thankful to the Moore family and Connect Church for asking LIVE-IT to identify the families who needed work around their houses. One elderly lady who had her house cleaned said her house now “smells like a miracle.” Thanks to everyone who gave up their Saturday to “Love Your Neighbors” and honor Wyatt.

MyRide Sevier County in the words of a volunteer driver:

My wife Barbara and I both drive for MyRide. We love helping others and this gives us great opportunities to do so! We deliver riders to doctor or other

appointments. We wait with them and will take them to a grocery store on their way home if they wish. -Doug Michaels
