For Seniors, COVID-19 Sets Off A Pandemic Of Despair

“[Older adults] are wondering if their lives are going to end shortly for reasons out of their control,” said Dr. Linda Fried, dean of the Mailman School of Public Health at Columbia University, in a university publication. “They’re wondering if they’ll be able to get the care they need. Thank You Volunteers

Appreciation luncheon for MyRide Volunteers

Our long awaited volunteer “Thank You” luncheon was held on Friday, June 26th at the “not quite open” coffee house. We would like to thank Thrivent Financial for sponsoring the meal.

Volunteer drivers drove 10,282 miles the first year of the program, helping seniors without access to transportation make medical appointments, get prescriptions and go to the grocery.

During the luncheon Michelle Hurton, the MyRide Program Manager, recognized drivers and gave them goody bags and lapel pins based upon miles driven.

We ❤️ our volunteers!

A note from one of our riders:

I have no vehicle, therefore, I am dependent on volunteered rides. I am grateful for the volunteers in this service, and for this service itself. Everyone is so helpful to me in any way they can be, so hospitable and kind. I feel I should pay more for the service. It is with great gratitude that I say “thank you” and hope that the service will be able to continue.

Sincerely,
A MyRide Client

We have 17 seniors on our waiting list that need rides. Will you help support MyRide Sevier County?

Partial funding for this project provided through a grant awarded by the Davidson County Chancery Court, Part III from the SeniorTrust/ ElderTrust settlement and through a contract administered by the Tennessee Commission on Aging and Disability.
