March 2020

Thank you to all of you who give your time and treasure to serve and care for your neighbors in need.

---

Here are two opportunities to show you care in a tangible way:

### Over 600 rides given in 11 months

MyRide Sevier County gives rides to essential appointments for seniors who have limited or no access to transportation. Volunteer drivers have given over 600 rides since this program started in April 2019.

**What we can't count is the impact these drivers have made on the riders who not only need a ride but also to know somebody cares.**

For more information about MyRide call Michelle @ 865-773-0715.

*If anyone gives you even a cup of water because you belong to the Messiah, I tell you the truth, that person will surely be rewarded*

The Coffee House is a comfortable place for those looking for conversation and connection to come and hang out. At the Bridge you will find Chit-Chat tables that encourages conversations between strangers.
